Section 9 – Affirmation

I affirm that the above information is true to the best of my knowledge and belief. I agree to cooperate fully if verification of the above statements is required in the future.

I also understand that as the employer of my HAH provider(s) I am responsible for:

1. Hiring, training, supervising, scheduling and, when necessary, firing my provider(s).
2. Ensuring the total hours reported by all providers who work for me do not exceed my HAH authorized hours each month.
3. Referring any individual I want to hire to the County HAH office to complete the provider eligibility process.
4. Notifying the HAH office within 10 days when I hire or fire a provider.

In addition, I understand and agree to the following terms and limitations regarding payment for services by the HAH program:

1. In order for any individual to be paid by the HAH program, they must be approved as an HAH eligible provider.
2. If I choose to have an individual work for me who has not yet been approved as an eligible HAH provider, I will be responsible for paying him/her if he/she is not approved.

3. The HAH program will not pay for any services provided to me until my application for services is approved and then will only pay for those services that are authorized for me to receive by the HAH Program.
4. I will be responsible for paying for any services I receive that are not included in my HAH authorization.
5. I will be responsible for paying my Share-of-Cost (SOC) and informing my individual provider(s) of that SOC.

I also understand and agree to cooperate with the following as a part of my eligibility for HAH:

To promote program integrity and quality assurance, I may be subject to (un)announced visits to my home and that I or my provider(s) may receive letters identifying program requirement concerns from the State Department of Health Care Services (DHCS), California Department of Social Services (CDSS) and/or the County in which I receive services.

The purpose of the visits and letters is to ensure that program requirements are being followed and that the authorized services are necessary for you to remain safely in your home. The visit will also verify that the authorized services are being provided, that the quality of those services is acceptable, and that your well-being is protected.

If it is found that HAH services are not required or not being properly provided, you and/or your provider may be subject to a Medi-Cal fraud investigation. If fraud is substantiated, you and/or your provider will be prosecuted for Medi-Cal fraud.
